IA welcomed everyone to the meeting and the Minutes of the November meeting were reviewed. There were a few slight adjustments and the minutes were subsequently adopted (prop'd CB, sec'd LS)

## **3. Police update**

PC Ryan Harrison presented the police update with tables showing the number and breakdown of Storm incidents and Crimefile offences for 20.11.2012 – 11.12.2012 for Old Aberdeen (+Woodside and Tillydrone) and Froghall. These were compared with tables for the same period for 2011. The Storm incidents (Motorcycle, drugs/substance misuse, fires and public nuisance) recorded for Old Aberdeen were zero, compared with 5 for the comparable period of 2011. The figures for Woodside and Tillydrone were also much reduced. Froghall figures were down by one from 8 to 7. The Crimefile offence figures were halved for Old Aberdeen, three (of vandalism) as opposed to six in 2011. Detection for these was ongoing. The crimefile figures for Froghall were also down (17 to 8) half of these had been detected. Vandalism and drug offences were the principle ones.

Operation Rowan has been ongoing for monitoring the ignoring of traffic lights at the College Bounds end of the High St. This is moving into the enforcement phase when tickets will be issued. Rush-hour will be targeted, as will the weekend period particularly the end of football matches.

GW raised the recent problems of parking in the Mosque area when a funeral was taking place. LPD Kittybrewster will raise this.

IA thanked PC Harrison for his contribution.

## 6. Treasurer's Report

As the new Treasurer (TS) was absent [in Africa] IA reported in his stead to the committee. The current balance remains at £514.70. The lump sum coming to the CC from ACC will alter slightly this year as the new boundaries mean the per capita sum will change.

## 7. Reports of Other Meetings

Friends of Seaton Park (FoSP) had held two sessions of bulb planting. These Bulbathons were attended by a few hardy individuals planting in the Rock Garden area and the Walled Garden.

The Community Council Forum met in the City Town House. The Protocol between the City and the CCs was discussed. This still awaits (after 4 years) signing off by Chief Executive. Response time for consultations has veered from 6 to 2 weeks whilst the Scottish Document guidelines recommend 12 weeks.

21 out of 30 CCs are active. Froghall and Craigiebuckler are trying to reform. The Association of CCs is now defunct. CC pages on the Aberdeen City website do not exist at the moment. New pages should be up soon.

The Civic Forum meets quarterly and its next meeting is in February. A representative from

OACC to attend this will be decided at the January meeting.
